AMVENT56L

Ventilation kit with IP56 rating (126x134x19)mm

Mounting Description: 4 Screws

Product Info

UNSPSC: 39121321

Carton Quantity: 1

Country of Origin: India

Color: RAL 7035

Material: Polycarbonate

Features:

FIP gasket system with 316 stainless mounting fasteners for maintaining IP56 enclosure rating. Polycarbonate thermoplastic material for corrosion resistance and a durable external enclosure accessory. Innovative baffles allow air flow into the enclosure while preventing rain or hose directed spray from penetrating.

Application:

Enclosure accessory meant for free flow of air through enclosures to aid in venting/cooling equipment housed inside. Work best in pairs for best installed ventilation results.
